

242 Exhibition Street, Melbourne

Case Study

For the upgrade to the ground floor of 242 Exhibition Street, products from record Automatic Doors were used exclusively throughout. This included:

1. The main entry at the corner of Exhibition & Lonsdale Street, which have a Fullview Series revolving door as well as two DFA 127 automatic swing door and a STA 20 sliding door entry.
2. The two entries off Lt Lonsdale, to the cafe and food court areas, with two Fullview Series revolving doors and a DFA 127 automatic swing door.
3. Other entries off Exhibition and Lonsdale Streets, with another four STA 20 frameless glass sliding doors.
